# Acknowledgements

- 
- Now before we jump into anything else I would like to thank some people. Which people, well thank you for asking? My teacher Ms.Mani who is a wonderful teacher to learn with. And my parents who support me with this journey with cleverd. Also huge thanks to cleverd and Mr.Ken I got a well needed kick start

# About Me..

- So my name is Burhan Naveed Mirza I am 12 years old I study in alhussan International school And I am learning coding in python and block coding.

# About My Internship with Clevered..

---

My experience has a blast with cleverd. I have been learning multiple new thing that I could not think to learn before. So Thanx to cleverd for giving me a platform and an amazing teacher.

# About App..

So my app called "Become a painter" uses voice commands to draw images. It is very help full for people who are handicap

And It can use different types of colors and has a little assistant named "Alex".
